A Day in the Life...

A day in the life of a Bourne High School student is jam-packed with classes, in the hopes that we learn at least one thing new everyday....

A Day in the Life.

From 7:25 till 1:47, there is almost never a dull moment when you're surrounded by your classmates.

From the time we step through the doors at 7 a.m. to the time we conclude classes at 1:47 p.m., we are surrounded by teachers, classmates, aides, and friends here to help you succeed. In the morning, we learn, ask questions, and expand our minds with a little help from our able teachers. In the afternoon, there's lunch where the morning's latest drama is divulged and shared, followed by a few more chances to learn something we didn't know before.

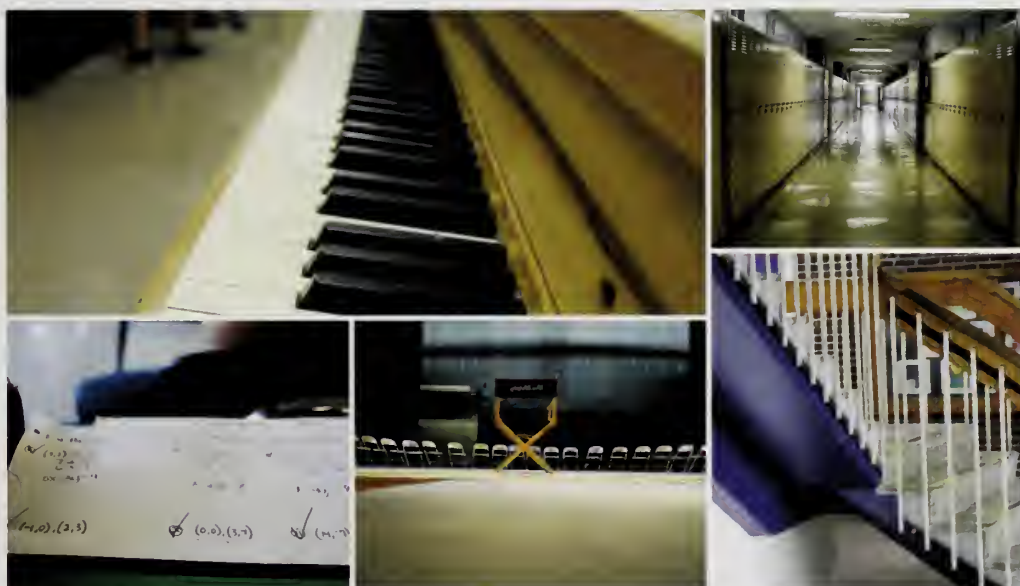

At the end of the school day we pack up our

things, lock up our lockers, and depart. Some of us go home to begin insane amounts of homework, others head to the gyms and fields to participate in extra curriculars. Either way, a full day is to be expected.

Along the way there may be obstacles that test us, opportunities that allure, and friends who support us every step of the way, which in the end adds up to a truly irreplaceable experience that stay with us long after we have left these hallowed halls of Bourne High.

But books and tests are only half of what happens during a school day here. Lunch, electives, and of course, after school sports allow student to talk, laugh, and blow off steam after a long day of academics.

The little things that make up Bourne High School (counter clockwise): The piano in the music room, the empty hallways at the end of the day, the math worksheets we all loved, the theater stage, and of course the notorious floating staircase.

A Letter From the *Editors*

Dear Class of 2011,

This book has been an absolute pleasure to put together for all of you. First and foremost we would like to thank Mrs. McDonald for all of her help and for giving us the license to create this bitter-sweet book.

Most of us have known each other since kindergarten, if not our whole lives. When we made it through eighth grade our teachers told us the years would fly by. They definately weren't kidding! As we walked through the doors freshman year we were all scared and nervous. As the weeks and months went by we blossomed into our own.

When Junior year came around we all were so excited about prom. We prepared for months. From tuxes and dresses to limos and afterprom the night was one we

will never forget.

So now our journey has brought us to senior year. Our boys fought to the finish and smoked Wareham at the Thanksgiving Day game. Our Senior Night and class trip was one to remember. We all will take these memories with us for the rest of our lives.

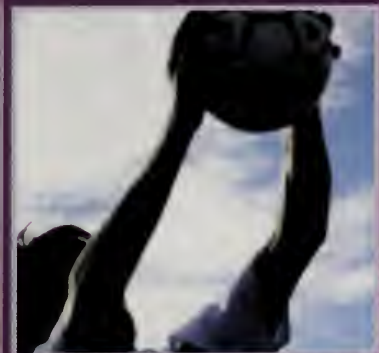

As we sign each other's books, we get together one last time as a class before we go off to what our parent's call the "real world". Myriad emotions consume us all right now, excitement abounds as we truely become the people we have always wanted to be. Facing the anxiety of the unkown, it's all up to us to decide our future. We wish you nothing but the best of luck for the rest of your lives.

Love,

Maggie Gilbert & Christina Burley

License To Give Back

Giving back is a common occurrence here at Bourne High. This year was no exception.

During the holidays everyone comes together to help those less fortunate than ourselves and strive to give back to our neighbors in hopes that their holidays will be at least a little bit merrier.

National Honor Society continued their holiday tradition of creating and donating bags of food filled with holiday dinners and all the trimmings to those in need this holiday season. Mix in a concert to benefit the band and Canal Currents, a bracelet sale to help our fellow student, Conor Gomes, in his battle against Aplastic Anemia, and more bake sales than one can count, you get a school who sets aside their own wants to help those who can't necessarily help themselves.

The 2010 football season was a great success. The season started off slow with a 0-2 start, but ended with a record of 6-5 including a 42-6 win over Wareham on Thanksgiving. It was exciting watching the Homecoming game knowing that a win would take us to playoffs, but no such luck. The team was led by a great group of passionate and hard-working seniors. John Page led all Division III in scoring having rushed over 1500 yards. Four Canalmen were also named to the SCC All-Star Team: John Page, Joe Epps, Sam Schrader, and Zach Chick. Although many seniors are leaving this year, the future of Canalmen Football is an extremely bright one!

From the Courtside: Teamwork is a fundamental building block that is essential to Bourne Volleyball success. It is a term that isn't taken lightly. We as a team strive everyday to improve each other as individuals and as athletes. The 2010 season didn't come out with any banners or trophies but our growth as a team was indescribable. We finished our season 14-6 and reached the South Semi finals. Our team was awarded with the American Volleyball Coaches Association Team Academic Award for the 5th consecutive season. Our success wouldn't be possible without the strength of the coaching staff.

Varsity and JV Soccer

From The Sidelines

The Varsity Soccer team enjoyed a fantastic season, finishing second in the S.C.C. with an 11-1-4 conference record, and 12-3-5 overall. The team enjoyed a come-from-behind victory in the first round of the state tournament with a 3-1 victory over E. Bridgewater, before losing a heartbreaker in the south quarterfinals in penalty kicks v.s. Cohasset.

Highlights included a 2-1 road win v.s. rival greater New Bedford H.S., and 10 total shutouts by GK Devin Delfino, behind a strong defense. Coach Arki would like to thank all of the seniors for a great career: D.D, K.J, D.M., B.C., E.S., Z.B., J.S., C.B., K.B., B.S.

Girls Soccer

JV and Varsity Soccer

From The Sidelines

This year, we once again had a very memorable season. Although we did not go as far as we would have hoped, we still had a wonderful time and played some impressive soccer.

Throughout the season, we faced several obstacles but we always found a way around them. The girl's dedication, commitment, and strong work-ethic paid off, finishing the season with a 9-5-5 record.

Next year we hope to continue to be one of the most powerful teams in the conference and to have further success in the post season.

So long, Mr. Ainsley!

He's one "big mucka hungya kaya" of a teacher from the south end of New Bedford. Mr. Kenneth "Terrific" Ainsley is the founder of the exclusive "Lumber Jack Club". But seriously, Mr. Ainsley is one bright guy, so bright his parents even call him "sun". We will remember Mr. Ainsley's wonderful lectures and the long, rambling tangents, blowing out the lights, and telling us stories of his childhood, like how he broke his arm when he was playing flag football. Mr. Ainsley and his quirky jokes will be greatly missed.

--Josh Covell, Dan Moscaritolo, Kaylen Ballentyne, and Peter Bilodeau.

Winter Track

The Bourne Track Teams had a great year. Many personal records were broken along with a handful of school records. Tyler White and Emily Roy both broke school shotput records and Lucas Roy broke both the 600m and 1000m school records. Kaleigh Perry came in sixth overall at the SCC meet for the 300m. Other girl qualifiers included the girl's 4x4 (Perry,

Caroline Kent, Kaleigh Sullivan, Laura O'Meara, and Danielle Kent), and Emily Roy in Shotput. A handful of guys made it to the State meet competing with the rest of Massachusetts. The boy's 4x4 (Peter Bilodeau, Nigel Jackson, Hunter Silva, Roy, Cully Gomes), Tyler White, and Roy all competed in the State Meet.

Boys and Girls Basketball

Starting with new coaches and several young promising athletes, the girl's basketball team took on the S.C.C. with confidence. The comeback year proved that Bourne is a force to be reckoned with. Finishing with a record of 11-9 the girls exceeded their initial goal of making States. The boys team finished with a 12-8 record with each game being more exciting than the last. Overall, BHS basketball experienced an enjoyable and successful season.

Boys and Girls Ice Hockey

This year's Canalmen hockey team ended its season with an outstanding record of 18-2, winning both home hosted tournaments--the Buzzards Bay Cup and the Big Ham Cup. It had been years since accomplishing such a feat. The team chemistry was outstanding. All four SCC all stars came from this Canalmen team--Will Humphries, senior captain Matt Crowley, Beau Laflamme, and senior captain Devin Welch. The team also had two SCC honorable mentions--senior captain Joe English and senior captain Jeff Small.

2011 was the first season for the BMW Girls' Hockey program--a team comprised of girls from Bourne, Mashpee, and Wareham. Thanks to a bit of fundraising and some die-hard interest from some supportive parents and coaches, the girls had a successful first season. Bourne team members included Brandi Masse, Taylor Donovan, Alex Goward, Nicole Anthony, Kamme Castleberry, and BMS's Natalia Gordon.

Senior captain Jeff Small celebrates the team's win over Medfield in the Big Ham Cup.

Freshman Myles Horn, below, skates after the puck in a game against Old Rochester. One of many up and coming underclassmen on the team, Horn played first line for the varsity team. That win against ORR clinched the SCC title.

The SADD Interact and Diversity Club participated in many worthwhile endeavors this year. The group encourages the student body to participate in Community Service projects instead of partaking in drugs and alcohol involved activities. They also spread awareness to teens of the community. The students participated in Red Cross Blood Drives, Pennies for Patients, Red Ribbon Week, the Jingle Bell Walk and other small projects.

GSA

The Gay Straight Alliance (GSA) at Bourne High School works to foster an atmosphere of acceptance, tolerance, and support within the diverse population of our school. We strive to promote pride in our community, create a safe environment for all students, and educate the community. We further strive to break down the silence and address isolation of LGBTQ youth.

Military Outreach

Each month, the Military Outreach Club visits the VA hospital in Brockton. The club brings baked goods and coffee to the veterans. During these visits the members of the club became friends with many of the veterans and enjoy spending time with them.

THE GIVER

Drama Festival 2011

The Giver, based on Lois Lowry's award winning book, is a play detailing a young boy's discovery of choice in a world of uniformity. The cast and crew did an extraordinary job in the preliminary round, making it to the semi-finals as a top ranked school and earning a number of awards in the process: Dom DeMayo for excellence in acting for his role as Jonas, Brianne Kowalwki for excellence in acting for her role as the Mother, Bobbi Ford for excellence in stage managing, and Geoffrey Bisnette for excellence in stage managing. In addition, Brenna Lussier received the "David Dooley Unsung Hero Award" for her contributions to the show.

GUYS AND DOLLS

Spring 2011 Musical Production

For the 2011 Spring show, a talented group of BHS's finest thespians took the stage to recreate "The Oldest Established Permanent Floating Crap Game in New York". It all depends on Nathan Detroit, who needs \$1000 to get it all up and running. Throw in Sarah Brown, who's "short on sinners" at the mission she runs; Sky Masterson, who accepts Nathan's \$1000 bet that he can't get Sarah Brown to go with him to Havana; Miss Adelaide, who wants Nathan to marry her; Police Lieutenant Brannigan, who always seems to appear at the wrong time...and you've got a hit musical starring dozens of BHS's best!
